## 2020 Volunteer Opportunities

**GRANT REVIEW:** Through an on-line process, grant reviewers read and thoughtfully review, score and rank the initial grant applications from the interested nonprofits. Each team meets to discuss which nonprofits will advance to full grant application and a site visit. Volunteers will be offered training and instruction on the complete grant process. Meetings and committee activities run from October through March.

**GRANT COMPLIANCE:** The role of this committee is to work with current Grant Recipients to ensure the terms of their contracts are being met. Meetings will be in November and April, to review the interim reports filed by the nonprofits, and as needed. This committee also serves as the liaison between Impact and all of our current, and recent past Grant Recipients for updates on their programs that we can share with our membership. Members of this Committee *must* have served on Grants Review.

**MEMBERSHIP:** The role of this committee is to help grow our membership. Main tasks are helping with recruitment of new members and retention of current members. Committee members correspond with new and former members as well as help mentor new members. They also assist in planning Membership gatherings with the volunteer hostesses and organize handout materials for these events. Meetings are limited with most of the work done by email or at events.

**MEMBERSHIP HOSTESSES:** One way that we expand our membership is gatherings in homes, clubs, restaurants, etc. for the purpose of informing attendees of the Impact 100 message. A list of potential members is helpful but willingness to sponsor the event for members and potential members is greatly appreciated.

**SPECIAL EVENTS:** Responsibilities include the planning and execution of a Fall Kick-off and/or other events as needed. Events may include educational events with speakers, workshops or forums. Meetings are limited with most of the activity occurring around the dates of events.

**MEMBER COMMUNICATIONS:** Maintain communication with current members through mailings (including thank you notes and pledge reminders.) Report to our members and the community about the achievements of our grant recipients, and other Impact events via the Impact 100 Newsflash/Newsletter. Media skills and writing experience are helpful.

**WEBSITE:** Role of this committee is to keep our website up to date. (We can train you on how to make changes on our particular website.)

**SOCIAL MEDIA:** This committee helps spread the word of our achievements through the use of social media.

**MARKETING:** Assisting our PR professionals with publicizing Impact 100 PBC through local media channels. Creating ads, supplying info and pictures from events will be needed.

**GRAND AWARDS CEREMONY:** Committee is responsible for planning and executing all details for the Grand Awards event including securing a location, food & beverage, invitations, agenda, method of voting, the awards presentation and all other activities to ensure a successful and remarkable event. Meetings are limited with most of the activity occurring around the April event.

**OTHER TALENTS:** If you have office skills, financial expertise, or a knack for technology let us know and we will find the right placement for you. Time commitment is as needed.
